7 July 1961

SUBJECT REDWOOD AERODYNAMIC Operational
 Request for Cancellation of FOAs

RE "43.3" (CHECK "E" ONE)

MARKED FOR INDEXING

NO INDEXING REQUIRED

ACTION REQUIRED

See Below

PROCESS CAN BE JUDGED
 BY QUALIFIED HQ DESK ONLY

REFERENCES

1. In connection with his return to FERRIDE, ARCASSOMARY/29 has halted temporarily the operational activities of his spotters and has arranged a communications system with them for the inactive period ahead. We therefore request that the FOAs on the following Subjects be cancelled insofar as FOC is concerned pending their reactivation if and when ARCASSOMARY/29 is reassigned to the European area:

ARCASSOMARY/29 31, 34, 36, 40, 41, 42, and 43

We will forward under separate cover ARCASSOMARY/29's raw contact reports concerning his contacts with these Subjects and will destroy the correspondence concerning these Subjects, copies of which are on file in Headquarters in July 1962 unless directed otherwise by Headquarters.

2. In addition we request that the FOAs for the following Subjects be cancelled inasmuch as ARCASSOMARY/29 will not initiate contact or continue his contacts with them after his departure:

Nadezhda MALSON ☐ ☐ (No contact has been made)
 Ivan MALO (Has decided not to travel to the USSR)
 Roman SHPONILUK ☐ ☐ (No contact has been made)
 Anfir OSTAFCHUK ☐ ☐ (Operational spotting temporarily halted)
 Kyrylo MYKHAYLOVICH ☐ ☐ (Operational spotting temporarily halted)

We will retain the FOC files on the above individuals until July 1962, at which time they will be destroyed unless we are directed otherwise by Headquarters.

3. We wish to retain the FOAs on the Subjects of WFOB-9150, 20 April 1961, WFOB-9151, 20 April 1961, and WFOB-9302, 18 May 1961 inasmuch as these cases have been taken over by other projects in FOC/SOV. Correspondence concerning these cases will be forthcoming in the future. With this disposition of the FOAs, we believe we have now accounted for all the outstanding cases under project AERODYNAMIC.
